Subject: Call for Programs for the 2nd Cycle of UMAP Program A&B 2018-1 (Autumn 2018)

Dear UMAP colleagues in NS and member universities,

Greetings from UMAP International Secretariat!

We would like to express our sincere gratitude to all of you for your continued support and collaboration.

We are pleased to announce that we are now collecting additional program information for the second cycle of Programs A&B 2018-1 (Autumn 2018).

We've attached the program information form for newly participating universities to fill out. Once you have filled it out, please return it to us in Excel format.

The programs of those universities, who participated in the first cycle and whose two seats aren't filled up, will be continued to be effective for the second cycle. Therefore you do not have to send the form once again.

Please note;

(1) Universities that have signed the "Pledge of Agreement" are able to participate in the program.

(2) Universities that have sent their Programs in the form of "Outline of Proposal" are able to send their students to other participating universities.

The deadline for submitting program information is February 4th, 2018 and the start of student application through Home university coordinator will be February 12th 2018. For the detail of the schedule of the 2nd cycle. please refer to the attached.

We are looking forward to receiving additional participation.

Sincerely yours,
