Dear Sir,

INVITATION TO PARTICIPATE IN THE NOVEL RESEARCH AND INNOVATION COMPETITION (NRIC) 2015, UNIVERSITI SAINS MALAYSIA (USM)

With reference to the above matter, it gives us a great pleasure to inform you that the Student's Representative Council of the Universiti Sains Malaysia (USM) will be organizing the **Novel Research and Innovation Competition (NRIC 2015)** for undergraduate students of both local public and private institutions of higher learning and diploma for public institutions only.

2. In line with the organizing committee's aim of internationalizing the event, we are extending an invitation to ASIAN universities to participate in this competition.

3. The objectives of this competition as below:

- To support the aims and aspirations of the Malaysian government in focusing national development by emphasizing on research and development in the field of science and technology.
- To retain a sustainable value in every research to ensure tomorrow's sustainability.
- To accord due recognition to the best research project idealized by full time postgraduate and undergraduate students in Malaysia and ASIAN.
- To showcase the successful findings, inventions and innovations through research and development by local and international institutions of higher learning.
- To cultivate interest in undergraduate students to participate in research and development activities/endeavors which will serve as a springboard for their continued involvement in R&D activities in their future career.

4. It is very much appreciated if your university will confirm the participation in this event as soon as possible. Further information regarding to this competition will be promptly dispatched to your institution at the appropriate time. We also seek your permission to allow us to use your university logo for promotional purposes related to this event.

5. For your information, the Novel Research and Innovation Competition is scheduled to be held as followed:

Date : 9th – 12st August 2015
Venue : Student Main Hall, Universiti Sains Malaysia
11800 Penang, Malaysia.

6. Participants requirements in 2015 NRIC should follow the university guidelines as stated in Appendix A (NRIC). Entry forms also as attached to this letter, or can be downloaded from the official website NRIC 2015. Entry forms of Novel Research and Innovation Competition can be downloaded from the website stated below. For advisor, please ensure that the participant have received all the appendix that have been attached for their reference. For your information, the closing date for entries is on **8th July 2015..**
