

DSU Dongseo
University

March 11, 2015

Dr. Pracheep Choopunth
President
Rajamangala University of Technology Srivijaya

Dear Dr. Pracheep Choopunth,

Warm greetings from Dongseo University!

I hope the spring semester is going well at Rajamangala University of Technology Srivijaya. At DSU, we are pleased to welcome a new group of students, and we are thinking of ways to expand the opportunities available to our academic community.

One of the new international programs we plan to launch might also appeal to students of Rajamangala University of Technology Srivijaya. This is the Dongseo University International Summer Film School, which will run from July 5 to July 25 of 2015. It will give students a chance to learn about all aspects of filmmaking through guided instruction offered in English by professors from our Im Kwon Taek College of Film and Entertainments Arts and from the Dodge College of Film and Media Arts at Chapman University in the U.S.A. More details about the program can be found on its website at www.dsu-ifs.com

We would appreciate if you could notify an administrator at Rajamangala University of Technology Srivijaya who may determine whether any of your students are interested in participating. If she or he has any questions about the program, they can be directed to Dr. Chan Chung, Dean for International Cooperation at DSU, by email at cchung@dongseo.ac.kr.

On behalf of Dongseo University, I would like to thank you for your continuing friendship and support. I wish the best of health, happiness and prosperity for everyone at Rajamangala University of Technology Srivijaya in the coming academic year.

Sincerely,

Jekuk Chang
President
Dongseo University
