We are pleased to announce instructions on how to apply for Programs A&B 2017-2 (Spring 2018) to be offered by member universities of UMAP.

If your students are interested in participating in one of these programs, please review the information on the website (http://umap.org/programs/a_b/) and advise them about the programs' contents, length, available credits, and fees before applying.

The common application form for Programs A&B is available on the UMAP website (<http://umap.org/forstudents/#application-procedure>). The application deadline for the first cycle is 25 July and for the second cycle is 24 September 2017.

To apply, the following two steps need to be completed:

- APPLICATION -- **Students** complete the application form for the desired program in **WORD** format and submit it to the UMAP coordinator at their home university/institution.

Coordinators collect the submitted applications and send them all together to the UMAP International Secretariat by email at umap-is@umap.org

- REGISTRATION -- **Coordinators** register the information on each application at the following URL:
https://docs.google.com/a/toyo.jp/forms/d/e/1FAIpQLSd9Ns_9gxIjBIEgeYDbh6gR-UpebvYcCr5i6ka-9eNS0SqNQ/viewform

Please note;

1. Only those universities that have sent the "Outline of Proposal" for participation in this program are able to send their students to the other participating universities.
2. A maximum of two (2) students can be nominated from each university per semester, but it may be possible to nominate additional students on a fee-paying basis depending on the policies of the host institutions.

We look forward to receiving many applications.
